## SMAC Meeting February 2, 2010

Place: Asbury United Methodist Church

Time: 7:30 PM

Attendance: 13 Members

Secretary's report was read by Bruce Shaw and accepted as read with a request not to read the non-relevant part; like meeting location.

Treasurer's report was read by Joe Ferrara. Report accepted as read.

Notes of interest: We have 33 paid members for 2010. We will be changing banks as our current bank has been taken over by another Bank. There have been several solicitations by other banks wanting our business but the costs have been too high.

## Old Business

Fun Fly: Buzz has spoken to Miami RC and has scheduled a Fun Fly at the Miami RC Field July 18, 2010. They will supply hamburgers, hotdogs and drinks. Maybe if we have a good time and there is a good turnout we can invite them over to our field later this year. We will be getting more information from them later.

## New Business

Ted Teach has invited us to have our March 2, 2010 meeting at his hanger at the New Carlisle Airport. He will make arrangements for us to see some of the airplanes being restored.

Dave Millner of Mad River Flying Association (Urbana Club) came to extend an invitation to everyone to participate in several upcoming events. On **April** 15, 16, 17 the Doolittle Raiders Reunion - Grimes Field Urbana, OH will be the Host Field. There will be 20 to 25 B-25's on the field. The morning of the 17<sup>th</sup> they will fly in formation to Wright-Patt for the Reunion. **June** 18, 19, 20, 2010 Warbirds Fly-in (Grimes Field Urbana, OH) Full Scale and R/C Static Display. We are invited to participate in the static show. If you display an aircraft in the Static show you will be able to look at the full scale planes. **September** 11, 12, 2010 MERFI - Full Scale fly-in at Grimes Field Urbana. Last year there were 320 planes that flew in and three to four thousand people that attended. This year they would like to include some R/C Static Displays. This would get you in the gate if you have an R/C plane on display. **Also there are several interesting planes in the Grimes Field Museum.**

You may also be interested in the Friends of Flight program, see their web site for information and the calendar of events at: [www.flyurbana.com](http://www.flyurbana.com).

As of this writing there is no board meeting scheduled, please see a club officer if you have an issue you think should come before the Board.

No other business, the meeting was closed.
